

Raising the Money

We plan a four-pronged approach to the fund-raising:

1. Grant application
2. Corporate sponsorship
3. Church-organised fund raising
4. Local fund-raising events involving all the organisations, businesses, societies and communities in Shepperton

Most grant-giving bodies have changed their response to applications for financial support. They will now only consider an application for a grant, once have already raised a percentage of the total cost of the works – generally between 30 and 50%. Therefore, it is vital that we start raising funds as soon as possible.
